

BATHROOMS – PART 1

SPACE PLANNING EXERCISE (BLANK SLIDE/ROOM)

Consider:

- Wet zone & dry zone
- WC: standard, space saver or closomat
- WC: corner or peninsular
- Position of shower
- size and shape of shower
- position shower controls outside shower
- riser bar before shower controls, + dimensions - add a diagram
- Shower screens or curtains only
- Drying / changing area
- Alarm
- Body dryer
- Position wash basin
- pedestal or wall hung
- type of taps
- Mirror, soap dish, wc roll holder, shaver
- Flooring
- Lighting: what type and how operated
- Door swing
- Heating
- Towel rail
- Taps on WHB
- Shower seat
- Turning circle
- Emergency access & egress
- Ventilation: access to window controls
- Ventilation: window spanning kit
- Ventilation: extractor fan and how to operate
